

Dear ByCycle member,

The ByCycle group is now affiliated to [CyclingUK](#). This has various benefits for the group but also you personally.

You can join CyclingUK at their discounted rate of £24 per year. This would give you

- Access to a wide range of [member benefits and discounts](#). (Please note that only full membership of Cycling UK provides access to the free legal advice claims service.)
- The knowledge that they are also supporting our work on behalf of all cyclists
